Victories over poverty

Programming Highlights:

In 2009 (FY09) CARE supported more than 800 poverty-fighting projects in 72 countries to reach more than 59 million people. Here are some highlights of our work in 2009 to empower women and families around the world:

CARE and our partners reached more than 30 million people with information and services to improve their **health**, including family planning, maternal and newborn care.

Our programmes helped 10 million people protect themselves from **HIV/AIDS**, reduce stigma associated with the illness and mitigate the negative economic consequences of the epidemic.

CARE's **education** programmes provided almost 7 million people with improved access to school and better quality education.

Our **economic development** programmes helped more than 9 million people gain access to credit, acquire skills to start or expand their businesses and improve their income.

CARE's **water and sanitation** projects increased access to safe water and improved health and hygiene practices for over 5 million people.

Almost 10 million people participated in CARE projects to improve crop production, increase household income, adapt to a changing climate and promote the sustainable use of **natural resources**.

Our **emergency preparedness and response** projects reached 10 million people, with special emphasis on the needs of the most vulnerable: children, women and the elderly.

Our Vision

We seek a world of hope, tolerance and social justice, where poverty has been overcome and people live in dignity and security.

CARE International will be a global force and a partner of choice within a worldwide movement dedicated to ending poverty. We will be known everywhere for our unshakable commitment to the dignity of people.

A Global Movement

CARE is a leading humanitarian organisation fighting global poverty. Non-political and non-sectarian, we operated in 2009 in 72 countries around the world, reaching almost 60 million people in the poorest communities.

CARE tackles underlying causes of poverty so that people can become self-sufficient. We deliver emergency aid to survivors of natural disasters and war and stay on to help people rebuild their lives.
